### Introduction of the SMART car on the Company Car List

I am pleased to announce the addition of the world's most economical normal combustion drive diesel car to the Balfour Beatty Company Car List.

**The SMART Fortwo CDI Coupe Auto**

The SMART Fortwo CDI Coupe Auto offers 85.6 MPG and a CO2 emission value of only 86gkm, and is in the lowest Benefit in Kind (BIK) band.

There are two models available, both in Grade A: the **Pulse** at only £72.17 net weekly rate and the **Passion** at £77.19 net weekly rate.

Both models continue to support our sustainability journey, being made of more than 85% recycled material and over 95% recoverable.
