

Special Offers - Vehicles for Sale

Are you looking to buy a car or a van? Well a brilliant deal could be sitting right under your nose at Balfour Beatty Plant & Fleet Services. We have a range of vehicles on offer at special rates to Balfour Beatty employees, family and friends.

Why buy from Balfour Beatty Plant & Fleet Services?

Our vehicles are competitively priced as they are lower than the Recommended Retail Prices (RRP). The vehicles are supplied from our own fleet and are selectively chosen with the aim of only offering the vehicles that are in the most superb condition and those that offer you the highest potential savings.

All our vehicles come with a service history, any remaining MOT, a safety check by our workshops here in Derby and also a full valet.

Frequently Asked Questions...

Q. What does the safety check consist of?

A. The safety check consists of a 50 point check inline with VOSA standards. This includes checking the windscreens and tyres.

Q. Do the vehicles come with road tax, if not could you arrange it for me?

A. Most of the vehicles advertised do not come with road tax and unfortunately we can not arrange this for you as a copy of your insurance certificate is required, however this can be easily obtained from a local post office or by using the DVLA's online service.

Q. What is the method of payment?

There are various methods of payment and there is no extra charge for any of the methods. We accept all credit cards (with the exception of American Express), debit cards, bankers' drafts and cash. Please note that we cannot accept part payment and the funds must be received before we can release the vehicle.

Q. Do you offer finance?

A. Unfortunately we can not offer finance on our vehicles due to regulations under the Financial Services Authorities (FSA).

Q. Does the vehicle come with a Warranty?

We are unable to provide a warranty on our vehicles but there are many organisations that you will be able to obtain warranty packages from should this be important to you.

Q. Are there any admin fees?

No, there no admin fees or hidden charges!

Q. Can I view a car before deciding to buy?

Yes. Please note that this is by appointment only. Appointments are available 9.00am - 4.00pm Monday – Friday and can be made by contacting the Sales Team (01332 288 263 or fleet.sales@bbrail.com).

Q. Is there any financial risk with buying from you?

When buying a vehicle from us you can be secure in the knowledge you do not need to carry out a HPI check as from the moment you purchase a vehicle from us any relating finance on the vehicle is cleared.

A HPI check identifies whether a vehicle belongs to a finance house and whether a loan is secured against the vehicle.

Q. Can I pick up my car on the same day?

This could be possible however we need to conduct a safety check on your vehicle and ensure that a full valet is carried out. We guarantee to have your vehicle ready within two working days of purchase. Please remember you may need to tax the vehicle.

Q. Does it have an MOT?

Yes, our cars come with a valid MOT.

Q. What do you compare your prices against?

We retrieve the RRP (Recommended Retail Price) from CAP (Current Auction Price Guide). The CAP guide is widely known, respected and trusted as the leading consumer car price guide in the UK. We match the car against the make and model and compare it to one of similar mileage.

Q. Must the car be paid for before being delivered?

Yes, it will need to be paid for in full before delivery or collection.

Q. When can you deliver the car?

We can deliver the car from Monday to Friday.

Q. Can you deliver the car at my workplace?

Yes. Just advise us of the delivery address and a contact telephone number.

Q. Will there be a cost applied for delivering the vehicle?

Yes. We employ an external delivery company to carry out all vehicle movements therefore we have to recharge this cost to you. The charge can be added to the sale price of the vehicle and it is a standard fee no matter where the vehicle is being delivered to (please note: this only applies to mainland UK).
